Why the change?      We wanted to provide quality educational resources in a convenient virtual learning format during this COVID-19 crisis

Why 3 days?            We value your time by offering this in flexible format

Flexible viewing      **NOTE: The Saturday, April 4<sup>th</sup> program is ONLY BE AVAILABLE THAT DAY. It WILL NOT be recorded due to copy-write restrictions.**

Optionally, a 3.5 EBP program (Tuesday & Thursday topics) will also be available on ICEU.com at a later date and that includes a **separate course fee** as it will be an **ONLINE** course and under BOC guidelines.

When you register, you will receive a confirmation email and prior to the LIVE program you will receive a link to join the program(s).

Certificates of Credit	Issued after the course is completed and all evaluations have been returned. Members are ethically bound by the BOC & Code of ethics to report only their actual sessions attendance.
One Price for All	Due to the circumstances available at this time there are no split fee options. There is one fee for the entire course.

## Children's Specialty Care

Thank you for sharing Webex to present this program

*Dedicated to youth sports injury prevention*

*Promoting best practices for sports medicine in secondary schools throughout Florida to reduce Sports-related injury and death*

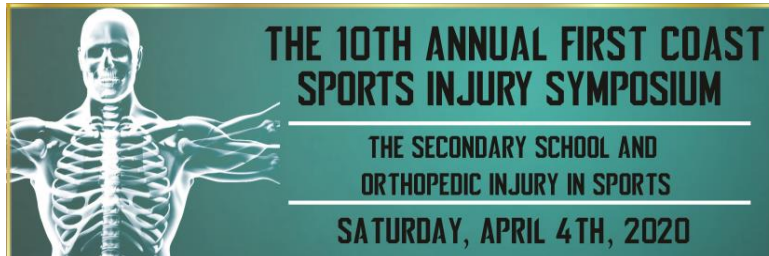

---
