UW Medicine

OVERVIEW

This workshop will review the "International Criteria" and provide a systematic approach for accurate ECG interpretation in athletes.

WORKSHOP OBJECTIVES

Upon completion of this workshop, participant should be able to:

- Distinguish physiologic ECG findings from ECG abnormalities requiring more investigation
- Accurately apply the International Criteria in 6 steps!
- Outline the recommended secondary evaluation of specific ECG abnormalities
- Discuss return to play considerations in athletes with cardiac disease

PRESENTERS

Jonathan Drezner, MD, Professor, Department of Family Medicine, Director, UW Medicine Center for Sports Cardiology and Editor in Chief of the British Journal of Sports Medicine

PANELISTS

Eric Coris, MD, Professor and Chair, Department of Family Medicine, USF Morsani College of Medicine

Jamie Decker, MD, Pediatric Cardiologist, John Hopkins All Children's Hospital

Mohammed Al-Mousily, MD, Clinical Assistant Professor of Pediatrics and Congenital Electrophysiology, UF Health Congenital Heart Center

Eric Eason, MD, Pediatric Cardiologist with Lee Physician Group
